

Chew's Hong Kong Hui Sauce began in Makapala Kohala on the Big Island of Hawaii. Chew married a Hawaiian maiden from Hawi Kohala named Hume. Together they blended ingredients from their garden to create a uniquely flavored sip and dip sauce to compliment their meals.

Although the sauce has been shared with family and friends for generations, the recipe is a family treasure. We are delighted to share with you our ancient family secret.

Fu Man Chew's Hong Kong Hui Sauce is an excellent companion with any meal, any time of the day, anywhere in the world.
